welcome

Dear Colleagues,

On behalf of the executive committee of the MSc “**Thrombosis-Bleeding-Transfusion Medicine**” we cordially invite you to join us at the “**Meet the Hemostasis Experts III**” which will be held in Athens, in 11-12 October. The Congress is organised under the auspices of the National and Kapodistrian University of Athens and the Faculty of Medicine.

We have joined forces in order to promote and ensure up to date exchange of knowledge and expertise keeping in mind the need for our postgraduate students, and not only, for theoretical background and practical skills. Distinguished scientists, active in the field of clinical and laboratory investigation of hemostatic balance disorders will be among our guests and present the current knowledge and challenges as well as the Greek experience and reflections.

We anticipate the attendance of all of you will be a good occasion to enrich knowledge and experience about the latest developments in hemostasis.

We look forward to welcoming you to the vibrant and multifaceted city of Athens!
