Dear colleagues,

It is a great pleasure for us to announce the organization of the 2017 *Athens Lymphoma Seminar*, in Athens Greece, under the auspices of the Foundation of the Hellenic Society of Haematology, the University of Athens, the Athens Medical Center-Psychikon Branch, the University of Crete and the Hellenic Society of Haematology.

The aim of this Seminar is to discuss in depth pathology and other diagnostic issues of malignant lymphomas, side by side with their clinical aspects, including therapeutic options. Case presentations will also be included, raising diagnostic and therapeutic dilemmas in order to generate a fruitful discussion among the participants and the tutors.

A highly qualified faculty will contribute to this event.

Some form of fellowships will be provided.

For your registration, please complete the attached registration form and send it by e-mail (mkangelop@gmail.com or n.thomopoulou@vitacongress.gr) or by fax (+302106984627).

Looking forward to welcoming you in Athens next autumn.
